In 2014, California State University, Northridge (CSUN) announced the addition of women's sand volleyball as the 19th intercollegiate sport for their Matadors. In 2010, sand volleyball was identified by the NCAA as an emerging sport, intended to provide additional athletic opportunities to female student athletes. According to the American Volleyball Coaches Association, nearly 500,000 13 to 25-year-old female participants have taken up the sport since 2007.

On May 21, 2016 CSUN and fundraising partner The Ramon Calderon Foundation (RCF) will be hosting a sand volleyball open tournament at Zuma Beach. Proceeds from the tournament will go to the California State University, Northridge for the University to assist in creating educational and related opportunities for the student body and student-athletes in CSUN's new Women's Sand Volleyball Program.

I, THEREFORE MOVE that the Board of Supervisors of the County of Los Angeles waive the gross receipts fee in the amount of \$700 and reduce the event permit fee to \$100 and parking fee to \$5 per space.
